EDUCATION

Milwaukee School of Engineering (MSOE), Milwaukee, WI | B.S. in Software Engineering | Expected May 2029

Relevant Coursework: Data Structures, Python AI, Intro to Cybersecurity, UX/UI Design

University of Wisconsin-Milwaukee (UWM), Milwaukee, WI | Coursework in Finance and Accounting | 2023-2025

TECHNICAL SKILLS

Languages: Python, Java

Tools/Platforms: Git, GitHub, Excel

Concepts: Object-oriented programming, scripting, domain reconnaissance, client-facing web workflows

PROJECTS

Domain Reconnaissance Tool | Python

- Built a Python CLI tool that performs WHOIS lookups, DNS resolution, HTTP header analysis, SSL checks, port scanning, and CVE matching for target domains.
- Generated structured JSON and styled HTML reports to consolidate reconnaissance results into a repeatable workflow.
- Consolidated multiple reconnaissance steps into a single tool to streamline domain analysis and reporting.

Portfolio Website

- Built a personal portfolio website to showcase technical projects, case studies, and professional goals.
- Organized project content into a cleaner structure to present work more effectively.

Client Snow Removal Website and Lead Funnel

- Rebuilt a website and lead funnel for a Colorado snow-removal business.
- Worked on a real client-oriented web deliverable rather than a purely academic exercise.

EXPERIENCE

Badger Brothers Moving, Milwaukee, WI | Lead Moving Specialist | July 2025-Present

- Lead moving jobs and help keep crews organized, efficient, and on schedule throughout residential and commercial moves.
- Communicate directly with customers on logistics, timing, handling instructions, and move-day issues.
- Guide team members during packing, loading, unloading, and problem-solving on site.
- Handle physically demanding work while maintaining care for customer property and following safe moving procedures.

Decorative Concrete and Curb LLC, Fond du Lac, WI | Concrete Laborer | May 2024-August 2024

- Worked with a team to prepare, pour, and finish concrete on residential and commercial job sites.
- Operated tools and equipment while following job-site safety procedures.
- Adapted to changing site conditions and weather constraints to help keep work on schedule.

Corey's Customs, Fond du Lac, WI | Assistant Mechanic | July 2020-May 2022

- Assisted with vehicle maintenance, part installation, and shop organization.
- Supported senior mechanics with diagnostics and day-to-day workflow.
